Bupa Medical Centre

(at Adventist Medical Centre – Taikoo Place)

**Integrated specialist healthcare
exclusively for Bupa members**

Located at Adventist Medical Center – Taikoo Place, **Bupa Medical Centre** (with facilities provided by Adventist Health Hong Kong) is our first medical centre in Hong Kong named after Bupa¹. It's a partnership with Bupa's healthcare provision arm, Quality HealthCare Medical Services (QHMS), to provide specialist outpatient consultations and day surgeries. Staffed with Bupa's service assistants to provide personalised services, the centre offers another premium healthcare option for Bupa members in need.

Prime, convenient location in the core business and residential district

Provides integrated specialist outpatient consultations and physiotherapy

Offers safe day surgeries and procedures including gastroscopy and colonoscopy

Cashless treatment with a Bupa medical card

Hospital-grade facilities including rehabilitation centre and diagnostic imaging equipment (with services provided by Adventist Health)

Caring services from onsite service assistants to book follow-up consultations, day surgeries and submit claims online

Integrated specialist consultation and day surgeries

**General
Surgery**

**Gastroenterology
&
Hepatology**

**Orthopaedics
&
Traumatology**

Bupa Medical Centre is also one of the network clinics under the Bupa **EndoscopyDAY** programme.

This programme provides eligible members² with access to **common types of endoscopy** such as colonoscopy and gastroscopy, as well as **cashless treatment** and a **special loyalty reward** (supermarket coupon)!

Remarks:

1. Bupa Medical Centre is a collaboration between Bupa and Adventist Health to provide healthcare services exclusively for Bupa members in Hong Kong. Clinic facilities are provided by Adventist Health while the patient journey is managed by Bupa's healthcare provision arm, Quality HealthCare Medical Services (QHMS).
2. Whether you are eligible to use the Bupa EndoscopyDAY programme depends on its eligibility requirements, and is subject to your medical insurance coverage and/or benefit limits. Please refer to the programme leaflet for details.
