Chris 透過 Bluea Health 手機應用程式訂購了 **Bluea Health 自選通行證**。他在訂購後兩天內便收到通行證，並可於龐大醫療網絡享用服務。

Case illustration⁸: leverage Bluea Health Pass for an accessible and affordable healthcare experience

Chris, a slasher juggling multiple roles - running a small online retail shop, freelancing as a brand consultant, and teaching weekend yoga classes, Chris needs a health solution that is both flexible and affordable.

Unlike many of his peers, he didn't have group health coverage, making personal health expenses a real concern. To take control of his well-being, Chris subscribed to the **Bluea Health Pass Flex** through the Bluea Health app.

I experienced smooth and hassle-free healthcare with **Bluea Health Pass**, unlike my past encounters that required more time and effort to access healthcare, and could have cost me over HK\$5,600 medical cost without the **Bluea Health Pass**. I can enjoy the flexibility I need to thrive during a busy year of entrepreneurship.
